

Florida Baptist Children's Homes and One More Child

It's been about helping one more child since 1904

Whether it's providing diapers for a newborn, food for a hungry child, safety for an abused child, or foster or adoptive homes to children in crisis, our mission is to meet the immediate needs of children and families and build relationships that demonstrate the love of Christ in all we do. Our burden is to help one more child who we have not yet, and with your help we can.
