

Anti-Trafficking

Providing expert leadership, holistic care and powerful advocacy

Each year in the United States, an estimated 9,700 underage youth are coerced into and victimized by the sex trade. At One More Child we cannot stand the thought of any child enduring the unthinkable trauma of being trafficked. It is why we run with the compassion of Christ and clinical expertise to one more child who is a survivor of trafficking. It is why we work locally and globally to prevent vulnerable children and individuals from being manipulated into this heinous reality.

A dynamic, trauma-informed approach

SAFE HOME CARE We meet the immediate and long-term physical, emotional and spiritual needs of victims. Our expert staff utilizes proven methods of holistic care to build relationships that help children and teens find value and restoration.

COLLABORATION AND TRAINING With the Open Doors Outreach Network we provide 24/7 crisis intervention and ongoing services to sex trafficking victims through advocacy, mentorship and mental health therapy. We work tirelessly with schools, medical facilities, law enforcement, the hospitality industry and others to improve coordinated care.

GLOBAL ADVOCACY AND EDUCATION Our prayer is for a world where no child falls prey to sex trafficking. Across the globe we share our expertise as a leading provider of trauma-informed care to equip communities with tools that can prevent trafficking and care for victims.

How you can help end sex trafficking

Our ability to meet the needs of one more child and save one more child from the horror of trafficking depends on people like you. Here are just a few ways you can help fight trafficking today:

PRAY Visit our website to learn how to host a prayer vigil with your family or at your church or simply be intentional about praying for our organization.

GIVE Every financial gift makes it possible for us to meet the needs of more victims and reach more people locally and globally with education and advocacy efforts.

VOLUNTEER Check out our website to find the latest opportunities to serve, including our monthly, "Train. Pray. Serve." event.
