

Costa Rica

Come on mission with us to the “rich coast!” Noted as one of the safest and most economically stable countries in Central America, Costa Rica is a highly developed nation with a vast amount of visitors and expats to its blend of cities, rainforests, coastline and mountains. Even with all the growth and development, there is still great need for ministry and evangelism efforts, especially in the fight against human trafficking. Through our partnership with several local ministries in San Jose, One More Child is working to help meet the physical and spiritual needs of children and families by providing tangible resources and sharing the hope of Jesus Christ.

The What

MINISTRY & EVANGELISM Teams distribute food and provide to hungry and malnourished children and families living in poverty. Participants will lead youth ministries and activities that include: singing, Bible stories, crafts, sports and games.

VOLUNTEER AT A SCHOOL Reach children and teens in local schools/churches. Teach them important life skills, help them practice English, play games and interact with children who are at high risk of being lured into human trafficking.

MEDICAL CARE Volunteers may help provide basic medical and dental care and screenings for children and adults. Clinics are held at schools or in community centers/churches. We need doctors, nurses and health care professionals to serve and offer their expertise to our national partners.

CULTURAL EXPOSURE Experience the rich history, culture and diversity of San Jose, and practice your Spanish in the marketplace! Take in the sights and sounds as you experience rainforests, volcanoes and the Pacific Ocean.

The Need
