

Haiti

Originally settled by the Spanish in 1492, this beautiful island nation shares a border with the Dominican Republic and is the second oldest nation in the “New World.” Despite its humble beginnings, Haiti has faced many challenges throughout its varied history. From war to natural disaster, famine and cholera outbreaks, Haiti continues to persevere through the struggles and has made progressive steps toward development nationwide. With our partnerships throughout Haiti, One More Child is working to help meet the physical and spiritual needs of children and families by providing tangible resources and sharing the hope of Jesus Christ.

The What

MINISTRY & EVANGELISM Teams distribute food and provide for hungry babies, children and “restaveks” (child laborers). Participants lead youth ministries and activities that include: singing, Bible stories, crafts, sports and games.

VOLUNTEER AT A SCHOOL Reach children and teens in local schools and churches. Teach them important life skills, help them practice English and interact with children through sports, crafts and games.

MEDICAL CARE Volunteers help provide basic health care and screenings for children and adults. Clinics are held at a local school or in community centers/churches. We need doctors, nurses and other health care professionals to serve these children in need!

CULTURAL EXPOSURE Experience the wonderful people, history and culture of Port-au-Prince and practice Haitian-Creole! Take in the sights and sounds as you experience this confluence of cultures on the Caribbean coast.
