

Uganda

According to the International Fund for Agricultural Development, 84 percent of Ugandans live in rural areas where children often lack access to quality education, proper nutrition and medical care. These children are part of families that have been devastated by extreme poverty and disease. One More Child has built a medical clinic and three school buildings for Genesis Primary School. Lives are being changed because of the educational resources, nutritious food and spiritual support provided!

The What

MINISTRY & EVANGELISM Work alongside social workers to visit homes of sponsored children and families and to help distribute food and supplies while sharing your faith.

VOLUNTEER IN THE SCHOOL Read to a class, lead an art project, conduct a science experiment, serve lunch and provide encouragement to the teaching staff at Genesis Primary School.

BIBLICAL TEACHING Lead hundreds of children at Awana Club, teach Bible stories and reinforce the message by sharing a craft activity.

MEDICAL CARE Utilize your professional medical skills by working in the medical clinic.

CULTURAL EXPOSURE Experience the beauty of Uganda as you visit the Nile River, shop at a local market and interact with friendly locals.

The Need

MISSION TRIPS As many as 15 team members can serve together at one time. Choose a date and invite your friends, family and church! The cost of the trip is \$1,100 plus airfare*, and all expenses are included: housing, meals, visas and transportation. onemorechild.org/mission-trips

DONATIONS The children of Uganda are in need of children's clothing (ages 3-12), school supplies, books, permanent markers and disinfectant wipes.
